Atos Unify Academy

Learning Credit Points (1 point)

Course code LCP0001

Target Group   Unify Customers

Course language	**Delivery type**	**Duration**
English	WBT	5 days

Course description

The goal of Learning Credit Points (LCPs) is to make it easier for customers to purchase training courses. Learning Credit Points are similar to vouchers, and can be redeemed for classroom training and webinars.

Prerequisites

myTraining Account

Contents

LCP: One time pre-paid purchase of training provided in the form of Learning Credit Points that can be redeemed for training

Service courses in the training portfolio are assigned an LCP value

Purchasing: Learning Credit Points can be purchased from the training portal, Sales Orders, or Service Maintenance contracts

Redeeming: Courses can be added to your shopping cart and upon checkout, your account will be debited
