

Atos Unify Academy

Unify Office Sales Professional - Module 2 - Unify Office Solution Overview

Course code UOSPM02SDV

Target Group Atos Unify Partners and internal Sales and Ops teams.

Course language	Delivery type	Duration
English	WBT	15 min.

Course description

This web-based training module is designed to demonstrate how the Unify Office connect platform is a multi-tenant architecture designed to deliver voice, text, SMS, team collaboration, web meetings, Contact Center and fax to any number of locations across a multitude of devices at a fraction of the cost of a traditional system with the same capabilities.

Learning Target

Users will become familiar with the following topics:

- Understand the Unify Office by RingCentral solution, benefits to customers, and advantages over other options.
- Become comfortable discussing the solution with customers in a first or second meeting.
- Be able to align the capabilities of the solution to customer needs based on what you gather from discovery.

Prerequisites

Unify Office Sales Professional - Module 1

Contents

Become familiar with the Unify Office by RingCentral:

- UO Office
- UO App for Mobile.
- Team Messaging
- Video Conferencing
- Liberate your business from geographic borders.
- Your employees located anywhere in the world can all be on the same secure communications platform. Increase productivity while you reduce your IT overhead by providing reliable voice, messaging, and collaboration functionality across your global organization.
