Unify OpenScape Enterprise V10R2 - Update training for Service and Consulting

Course code OSEV102UDX

Target Group Service Technician, Customer Administrator, Self Maintainer, Consultants

Course language	Delivery type	Duration
English	WBT	60 min.

Course description

This Web Based Training is for service oriented technicians. Objective is to introduce new V10R2 topics, as offered by the product house. This includes the components OSV, CMP (just Unify OpenScape Enterprise system topics) Composer, DLS, as well as OSB and SBC. 'UC' components will be covered in a separate training. The participant should be able to fulfill customer expectations related to the V10R2 release. This training consists of 3 modules. Module 1 "OSE102AUDX" (duration 60 minutes), module 2 "OSE102BUDX" (duration 22 minutes) and module 3 "OSE102CUDX" (duration 12 minutes). Total duration of the course is 94 minutes. When booking module 1 "OSE102AUDX" you will automatically receive module 2 and 3.

Learning Target

The participant

- Knows the Unify OpenScape Enterprise V10R2 (Eco) system enhancements.
- Is enabled to upgrade Apps and present/implement features to the customer.
