-

Tests and Certificates

This course prepares following certification:

- [Implementation & Support Specialist Unify OpenScape Enterprise](#)
-

Comments

Upon having passed the test, you automatically receive an e-mail with your certificate as a PDF within 48 hours in attachment.

Please finish the exam module in one operation, since the start is limited to a total of **four times**. Afterwards the access to this test is **closed** for **one week**. The attendee has to send an email to [certification@atos.net](mailto:certification@atos.net?subject=Test%20Counter%20Reset) to be released again for the examination.

We strongly recommend taking the relevant Unify Technical Sales courses as the best preparation for passing the test.

Certificate STI-341 corresponds with version V10R3

In General

In order to participate in e-learning events you require a myTraining account.

A PC with sound card and headset is recommended.

Please refer to the Partner Portal for country release information.
