

Unify Academy

Certified Implementation & Support Expert Unify OpenScape Enterprise

Course code STI-352

Course language	Delivery type	Duration
English	WBT	90 min.

Prerequisites

UCTSE Unify OpenScape Enterprise courses

Curricula

This course is part of following curricula

- [Implementation & Support Expert Mitel OpenScape Enterprise](#)

Tests and Certificates

This course prepares following certification:

- [Implementation & Support Expert Mitel OpenScape Enterprise](#)

Comments

Upon having passed the test, you automatically receive an e-mail with your certificate as a PDF within 48 hours in attachment.

Please finish the exam module in one operation, since the start is limited to a total of **four times**. Afterwards the access to this test is **closed** for **one week**. The attendee has to send an email to [certification@mitel.com](mailto:certification@mitel.com?subject=Test%20Counter%20Reset) to be released again for the examination.

We strongly recommend taking the relevant Unify Technical Sales courses as the best preparation for passing the test.

Certificate STI-352 corresponds with version V11

In General

In order to participate in e-learning events you require a myTraining account.

A PC with sound card and headset is recommended.

Please refer to the Partner Portal for country release information.
